34. Cave of Seven Sleepers
(Jordan)

35. Cave of Seven Sleepers
(Jordan)

The image shows a close-up of a rock slab with a carved cross symbol. The slab is reddish-brown and is set within a larger, lighter-colored rock formation. The cross is a simple, slightly weathered design. The surrounding rock has a mottled, greenish-grey appearance, possibly due to mineral deposits or lichen. The lighting is somewhat dim, highlighting the texture of the rock.

(Jordan)

37. Dead Sea
(Jordan)

38. Qawm-e-Loot (A.S)
(Jordan)

A photograph of the Dome of the Rock in Jerusalem. The central feature is a large, golden dome with a crescent moon and star on top. The base of the dome is decorated with intricate Islamic geometric patterns in blue, green, and gold. Below the dome is a square base with four arched entrances. A wide set of stone steps leads up to the central entrance. The building is flanked by tall, dark green trees. On the left, a tall, modern street lamp with two light heads is visible. The sky is a pale, hazy blue. The overall scene is captured in a slightly dim, late afternoon or early morning light.
