

Dua Ilahi Kayfa Aduka إِلَهِي كَيْفَ أَدْعُوكَ www.Duas.org

Imam Ali bin Husayn Zayn al abidin is the author of this dua'a. To get immediate acceptance of your supplication, recite this dua'a 100 times, preferably on Thursday, after praying 2 rakat salat, and 15 durood (salawat) before and at the end of this dua'a, and beseech Allah to fulfill your legitimate desires,

In the name of Allah, the Beneficent, the Merciful.

O Allah, (please do) send blessings to Muhammad

and the Household of Muhammad,

My God how can I call on You (for help) for I am me

(a sinful servant)?

How can I cut off hope from You for You are You (the merciful lord)?

My God (even) when I did not beseech You, You gave me. So who is he who gives if I beseech him?

My God (even) when I did not call out, You fulfilled my desire.

So who is he who satisfies if I call him?

My God (even) when I did not humbly solicit, You took pity on me.

So who is he who shows mercy i'll solicit him?

My God I beseech You that just as You parted asunder the sea for Musa (peace be on him) to save him,

send blessings on Muhammad and on the children of Muhammad,

and come to my rescue, and deliver me (from these troubles), and disperse (afflictions), and do it quickly, without delay,

Through Your kindness, through Your mercy, O the most merciful.
